

CALL FOR EXPRESSIONS OF INTEREST

MEMBER OF THE IUCN EXPERT ASSESSMENT GROUP FOR THE GREEN LIST (EAGL)

ZAMBIA

Dear Madam/Sir,

The IUCN Green List of Protected and Conserved Areas Programme (IUCN Green List) was officially launched in 2014 at the World Parks Congress to recognise and promote successful protected and conserved areas around the world. The main objective of the Green List is to encourage protected and conserved areas to measure, improve and maintain their performance through globally consistent criteria on good governance, sound design and planning, effective management and, successful conservation outcomes. For more details on the IUCN Green List programme, please visit www.iucngreenlist.org.

The Expert Assessment Group for the Green List (EAGL) is at the heart of Green List implementation and is established in every participating jurisdiction. The EAGL adapts the global Green List Standard to the jurisdictional context and evaluates and assesses protected and conserved areas that apply to be added to the Green List.

We are seeking Expressions of Interest in becoming an EAGL member for the Zambia jurisdiction. Benefits of being an EAGL member include advancing PA management effectiveness and fairly governed PAs, membership with the IUCN World Commission on Protected Areas, and an opportunity to become part of the global Green List community of PA practitioners and stakeholders in more than 50 countries to date. It is important to note that EAGL members are expected to work on a voluntary basis, in their personal capacity, and according to their expertise without representing any organisation.

Interested individuals are kindly requested to apply no later than **15th December** via <http://iucn.force.com/EAGLapplication>.

The online form under this link asks for:

1. Your professional experience in a pre-defined table format.
2. A self-evaluation of your competency.
3. A short statement on why you are interested to join the EAGL.
4. An up-to-date CV (in English if available)
5. A declaration of your relevant interests to manage any Conflict of Interest

6. Confirmation of your commitment to dedicate up to 10 days of volunteer time per year (0.8 days per month) to the EAGL tasks, over at least two years. All travel and logistic expenditures will be covered.

The Annex below shows the application form and competency criteria for your information (or if you are unable to access the online form, the Annex can be used).

The IUCN World Commission on Protected Areas (WCPA), the IUCN Global Protected Areas Programme and an independent Reviewer will evaluate all applications and select a group typically of 5 to 15 individuals to form the EAGL. Appointed EAGL members will need to sign a 'Declaration of Engagement' (see below). All applicants will have an opportunity to join the WCPA as members¹, so long as they meet the WCPA membership criteria.

Please feel free to get in touch with Thierry Lefebvre (thierry.lefebvre@iucn.org) should you wish to find out more about the IUCN Green List and the EAGL or if you have any other queries.

Yours sincerely,

EAGL APPLICANT DECLARATION OF INTERESTS

Potential EAGL members are experts working with and on PAs in their jurisdictions. It is therefore likely that some of their direct or indirect relationships with PAs or their agencies or funders result in perceived or real Conflicts of Interest (COI). COIs occur when competing loyalties may affect an individual’s judgment or objectivity, or be perceived by others to potentially do so.

To maintain the credibility of the Green List and of the EAGL as a group, it is therefore important that all EAGL applicants declare relevant direct and indirect relationships and interests, so any potential COI can be managed and addressed in an appropriate manner.

Please list below the details of your interests and whether they apply to yourself or to a member of your immediate family or some other close personal connection. Consider real as well as potential conflicts of interest in doing so.

Current employment and any previous employment	
Contractual relationships with PAs, PA agencies or their subsidiaries	
Affiliations with entities that have a funding relationship with PAs of the jurisdiction	
PA-related research funding or personal education grants	
Relevant appointments such as trusteeship, directorship, local authority membership, etc. related to PAs in the jurisdiction	
Memberships in professional bodies, special interest groups or mutual support organisations related to PAs	
Other relationship or status which could, or be perceived to, influence your objectivity
